

# SYSTEM DIAGRAM

(2005/11-2006/01)

**Communication table**

Sender	Receiver	Signal	Communication Line
Air conditioning amplifier	ECM	A/C compressor control signal	CAN
		Idle up request signal	
		External variable control solenoid current signal	
		Cooling fan motor driving request signal	
		Ambient temperature signal	
Combination meter assembly	Air conditioning amplifier	Vehicle speed signal	CAN
		Ambient temperature signal	
ECM	Air conditioning amplifier	Engine revolution speed signal	CAN
		Engine coolant temperature signal	
		A/C control cut signal	
		Variable control prohibition signal
